

**Aloha new and returning Parents and Students of Kihei Charter School- K-12 and K-8 STEM Blended,**

**W**e the **Kihei Charter School Parent Teacher Organization** are excited for a terrific year for

2013/2014 and looking forward to help provide a successful year taking into account our motto, *KCS-PTO - where the parents, teachers and students work together to create an enriched social learning environment.*

**O**ur goal is to have all families, 100% of KCS, pay the \$20/family dues fee to join the **KCS-PTO**. We will not ask you to volunteer for anything unless you give us the OK. By just paying your dues of \$20 for the year, you enable us to enhance school activities and education directly, a small cost for all the good it does! Please complete the form enclosed and drop off to the school with a check or complete and pay on line at our website at: <http://kiheicharterpto.com>

Be sure to join us in the Fall for our **ICE CREAM SOCIAL**, an event for all the families to get to know each other and the teachers, see what activities and athletics are offered, car pool and sign up or simply just ask questions...a truly fun meet and greet of students and parents.

**What we do.....help provide an enriched environment for our students and teachers!!**
