It's hard to believe that we are almost finished with the third quarter, but you know what they say about time flying! We are excited to welcome some terrific new additions to our elementary school program.

First, all grades K-5 have their own Physical Education class taught by Coach Kimo. The students are so excited to learn about sports, health and fitness. Also new this quarter is ukulele class for our 4th grade students learning about Hawaiian culture.

Each week, our campus is alive with movement and music!

We welcome a new addition to our elementary family. Congratulations Ms Bridget! Baby Kaia Hogan Lee born February 23, 2017
