

# Aloha Kihei Charter School Parents and Students,

It's hard to believe that the end of the first semester of the school year is upon us. The last day of the second quarter is Wednesday, December 21. Student progress reports will be mailed after the gradebooks close.

Our students in the elementary school have been busy working on projects in all subject areas this semester. They are excited to show off their efforts during the K-5 exhibition scheduled for December 21 from 10:00 am to 11:30am. Please stop by the elementary school campus to check out our many talented elementary school students. There will also be a Scholastic Book Fair during the exhibition.

Our elementary school garden is coming along, and the students are already seeing the fruits of their labor. We are excited about expanding our opportunities for future growth and are grateful for the support in continuing our efforts.

As our holiday season is fast approaching, it is the perfect time to pause and reflect on all the incredible things we are thankful for in our school. First and foremost, we are grateful for the truly amazing students we are so fortunate to teach. Our staff is passionate about education and meeting the needs of our students. We appreciate the strong partnership between parents, teachers and students that make up the success of our school.

We wish you a wonderful Thanksgiving holiday and hope that you all enjoy some time together as a family!

Warmest Regards,  
Leslie Baldrige  
Elementary School Director
