

The KCS Experience-

WORKING DAILY TO "RAISE THE BAR" ON ALL THAT WE DO!

Aloha,

As the Executive Director of Kihei Charter School, I have done some restructuring of the Leadership Team due to my ongoing medical issues and am pleased to introduce the newest member of the high school leadership team, Mr. Michael Stubbs. This interim appointment will give Mr. Stubbs the opportunity to continue to teach Spanish and to administrate with a focus on academic affairs. He will be will be part of a team supported by Dean of Students Phill Schmidt and Counselor Patrick Markey.

I have asked Mr. Stubbs to give you a brief background of his work and preparation for this important assignment.

Thank you for your support of Mr. Stubbs and Kihei Charter School.

John R. Colson, Executive Director

Buenos días,

Born on Maui, I spent my formative years living in New York where I earned a B.A. in Spanish that included a six month immersion into the language in Spain and later an M.A. in Secondary Education.

My teaching career began in Manhattan, New York where I taught multiple subjects (Social Studies, English Language Arts, Math, Special Education) within a bilingual middle school. After six years, I moved to a new challenge relocating to a lower Manhattan high school, where I taught Humanities and headed the bilingual department.

Eventually Maui drew me home and in the process I found Kihei Charter School. I taught Core Humanities at the middle school before moving to teach Spanish at the high school. During this time I obtained my coaching license and spent my limited free time coaching soccer and football.

The 2016-17 school year will be my tenth year as a teacher and my first as a school level administrator. My ever-changing job description has me teaching multiple levels of Spanish and serving as Teacher-In-Charge with a focus on the academic affairs of the high school.

I look forward to working with the school-wide Leadership Team to improve academic instruction, home-school-community connections, and to build extra-curricular programs.

In closing, know that as the Teacher-In-Charge, I will lead by example and do what is right for the school and our students. Kihei Charter School is a very good school and I have visions of us all working together to move it from very good to great.

Michael Stubbs, Teacher-In-Charge

Executive Director's Wisdom

Watch your thoughts; they become words.

Watch your words; they become actions.

Watch your actions; they become habits.

Watch your habits; they become character.

Watch your character; it becomes your destiny.
