Mahalo to all those who turned out Saturday May 30th to clean-up Kamaole Beach Park on behalf of the Honu Heroes. The Honu Heroes are a group of Kihei Charter School (KCS) students who volunteer their time aiding our green sea turtles in numerous ways. On Saturday May 30, they staged a clean up in the park area of Kamaole Beach Park III from 8 to 10 AM. For additional information, please contact their mentor, KCS instructor Peggy Temple at 344-5860.
